

# Swim Safety Facts

It can be scary to talk about,  
but drowning is the  
**#1 CAUSE OF ACCIDENTAL DEATH**  
for young children,  
**27% higher than car accidents!**  
But there is good news!  
**Drowning is preventable!**

**Always,  
always**  
make sure a grown up  
is watching you  
when you're  
near the water,  
especially if you  
want to get in.

Take lessons so you  
can learn how to have fun  
and be safe in the water!  
Swim lessons can reduce the risk of  
drowning by **88%!**

**Always**  
wear a life vest  
if you're in a boat  
or on open water.
