

Drowning is the leading cause of death for children 1 - 4

Drowning is a leading cause of death for children of all ages

Drowning is fast & silent

Drowning can happen in less than 2 inches of water

Drowning can happen to anyone, anywhere

BUT DROWNING IS PREVENTABLE

As Water Watcher, I will:
Put down my cell phone
Avoid other activities
Supervise even if there are lifeguards
Hand off this badge to another adult
if I need a break, no matter how brief.
